

First Annual Fight On: Don't Ever Give Up 5K Run/Walk Saturday, June 4th

February 25th marked one year since the Central Catholic community lost one of its pillars, Jeff Dienhart, to cystic fibrosis. Jeff graduated from Central Catholic in 1988, and one of his greatest passions was returning as assistant coach for the Central Catholic Girls Basketball team. Jeff was supportive of all activities in the community, and June 4th we will be holding the first annual **Fight On: Don't Ever Give Up 5k Run/Walk** in his honor.

In the 1950s, few children with cystic fibrosis lived to attend elementary school. Today, advances in research and medical treatments have further enhanced and extended life for children and adults with CF. Many people with the disease can now expect to live into their 40s and beyond.

This is all with thanks to supporters like you!

The Cystic Fibrosis Foundation is a 100% donor supported organization. Thanks to the dedication and financial backing of our supporters — patients, families and friends, clinicians, researchers, volunteers, individual donors, corporations and staff, we are making a difference and adding more tomorrows to the lives of those fighting cf!

Please consider supporting the Fight On: Don't Ever Give Up 5K Run/Walk, both in memory of cystic fibrosis victims and with HOPE for those still fighting to live much healthier and longer lives.

Thank you,

Friends & Family of Jeff Dienhart
